Dear Sir:

You may accept this letter as verification of having
logged KTOW, 800 kcs., from *2:00 A.M.* to *4:00 A.M.* ^{MST}

January 24, 1955. Your log is of sufficient
accuracy to indicate that our signals were readable.

KTOW transmits with a power of 250 watts from a quarter
wave vertical antenna 265 feet high, at Reno and Eastern
Avenue in Oklahoma City.

Your report is appreciated and we would be pleased to
hear from you again in the future.

Sincerely,

Thomas F. Lindsey
