

Philtower — Home of KVOO
Oklahoma's Greatest Station

Dear Friend:

Our warmest thanks to you for the very nice comments concerning your reception of KVOO. We are always happy to hear from our friends, and sincerely hope you will tune in often and receive many programs that will bring you additional enjoyment.

VERY TRULY YOURS

RADIO STATION KVOO

L. B. Gray
GENERAL MANAGER

Tulsa, Oil Capital of the World and home of the International Petroleum Exposition, is a great and modern city, famous for its mile after mile of beautiful homes, its sparkling clean skyscrapers and for the friendly hospitality of its citizens. Located in Northeastern Oklahoma, the center of a rich manufacturing and trading area, Tulsa provides cultural as well as business leadership for the State. Tulsa is served by a modern network of railway, highway and air transportation, making it easy and pleasant to visit. We bid you a hearty welcome!
