Mr. Maurice W. Nittler  
Shickley, Nebraska

Dear Mr. Nittler:

We are happy to confirm your reception of KWOE on June 1,  
at 1:15 AM CST.

How are things in Nebraska? We are having an unusual  
amount of rain and things are looking up in Western Oklahoma.  
Our wheat is about ready for harvest and everyone thinks the  
yield will be average or above.

Best regards.

Sincerely,

*Hubert Gaston*
