

Mr. Maurice W. Nittler,  
4590 South Julian,  
ENGLEWOOD, Colorado.

Dear Sir:

We greatly appreciate your report on CFCO'S transmission and are happy to hear from you. CFCO broadcasts 24 hours daily on 630 Kilocycles, with a power output of 1000 watts...with a North, North-west directional signal pattern.

This letter confirms your reception (QSL).

Yours truly,

*Robert Anahie*
