Dear Sir:

Thank you for your recent letter regarding our signal in your district. This is to verify the reception as you have reported it.

We have recently commenced operation on 1570 k.c., omni-directional, using an R.C.A. 1000-watt transmitter and a 200-foot vertical radiator.

Orillia, Ontario, as you may know, is located some 80 miles north of Toronto.

Sincerely yours,

Gordon E. Smith,
Owner-Manager.
