October 10, 1956.

Mr. Maurice W. Nittler,
Box 94,
Geneva, Nebraska.

Dear Sir:

Glad to hear you picked up CKCY it's such a distance from Sault Ste. Marie. Although we have had several reports on brief reception in that area, yours is by far the most complete, and reports the longest period of time for clear reception.

Your summary of what you heard on Oct. first is quite correct.

Yours truly,

A handwritten signature in cursive script that reads 'Ken Duke'.

Ken Duke,
Program Director
