Mr. Maurice W. Nittler,  
Box 94  
Geneva, Nebraska.

Dear Mr. Nittler:

Thank you for your reception report.

C.K.F.H. is a 250 Watt Station, having  
a directional array of  $32^{\circ}$  west of north with top loading.

The transmitter is located on Centre  
Island, due south of Toronto proper, giving us an ideal  
location for covering the city.

The information contained in your  
report was 100% correct and this letter is to verify the  
reception of C.K.F.H. by Mr. Maurice W. Nittler.

GAW/BT.

Sincerely,

G.A. Wilson,  
Chief Engineer,  
CKFH.
