

BRUCE WHITWELL  
CHIEF ENGINEER  
RADIO KAST 1370 KCs  
ASTORIA, OREGON  
December 4, 1954

Maurice W. Nittler  
Box 94  
Geneva, Nebraska

Many thanks for your letter of November 25th reporting reception of KAST.

We run only 1000 watts power and for you to receive us on a table model radio with loop antenna is very surprising.

I am also answering a reception letter this evening from a Francis H. Nittler in Denver, Colorado. Any relation?

Thanks again for your report.

*Bruce Whitwell*
