Dear Mr. Nittler:

This is a confirmation that yes, you did in deed hear our radio station. We do not keep a music log, but from your detailed description of commercial and public service announcements, along with our I.D., there is no doubt in my mind. Thank you for your interest in our station, and may I add, yours is a very interesting hobby, and one that seems to be a rewarding one for you.

Sincerely,
