Dear DX Listener:

Thank you very much for your recent listener report dated *11/17/68* concerning the reception of Radio Station KUMA.

I have checked with the announcer on duty between *7:00 - 11:00 pm* and on the above date. He *does* verify the accuracy of your report.

Attached is a summary of our operation and equipment. We hope you find it interesting.

Anytime you are in our area we invite you to stop in at our studios. We will be very happy to show you through our plant.

And remember the world famous "Pendleton Round Up" which is held Wed. through Sat. the 2nd full week of September.

Sincerely,

James C. Bradley, Ch. Engr.
