Dear Mr. Nittler:

This is in answer to your card dated January 19.

Normally in order to supply a verification, we would require more detailed information than was contained on your card. If you mean that you heard us at 3:35 AM. January 19, I can say that we were on the air for a test and gave a station break at that time.

Yours very truly,

James H. Greenwood  
Chief Engineer
