Dear Mr. Nittler:

Your report recieved concerning our radio station WGCB in Red Lion, Penna. Glad to hear of such good reception. Please pardon delay in answering. I lived at Omaha, Nabraska while attending seminary fro 1914 to 1917 and later served the presbyterian church at Fairmont, Nebraska before I moved back East. Will you please try to get us again and let me know how your reception is.

Enclosed is a copy of our 5th anniversary.

Yours very cordially
