Mr. Maurice W. Nittler
Box 94
Geneva, Nebraska

Dear Mr. Nittler:

Thanks ever so much for sending along your report confirming reception of our signal in your territory.

We are grateful for the trouble you have taken to post us with respect to the details concerning the reception of our signal in your area. Your report was correct in every detail, and we thank you again for submitting it.

For your information, to date we have received notice of reception from 25 states and two from Canada. In several months we hope to run another test and hope that you'll be able to pick us up then.

Very sincerely yours,

Bob Hyle, DX Announcer
Robert E. Hyle
