Dear Sir:

I am writing in regard to the reception report which I sent to you on Febr. 27, 1956 for reception of your special DX broadcast for the N.R.C. of that date. To date I have not received verification of my reception of that broadcast. Perhaps my report was overlooked in the rash of reports which you must have received. Would appreciate it if you would check your logs and files and send me a card or letter of verification on my reception of WTIV. Thank you very much.

Yours very truly,

Robert W. Seabrook
