Dear Mr. Nittler:

We want to acknowledge receipt of your kind letter (no date) in which you give us a detailed report on the transmission of the elections returns, Dic. 2nd.

The report of YVLh on 660 Kcs is correct - and it is our 50 Kw Xmtr near Valencia lake.

The report on YVKS, 750 Kcs do not coincide with our program schedule and according to the stations list that you mentioned, we believe that it was one of the stations of Radio Continente network, the one you heard.

We are sending you herein one of our QSL - cards, for Radio Girardot YVLH - 660 Kc.

If you address to Radio Continente they will send you one of them.

Thanking you for the stamps and for addressing to us.

Sincerely yours
