RADIO **WCRE** STATION

CHERAW, SOUTH CAROLINA

October 19, 1955

Mr. Maurice Winittler
Box 94
Geneva, Nebraska

Dear Mr. Winittler:

We were happy to receive your letter telling of reception of W C R E
October 15, 1955 at 5:15 EST.

This is to verify that your reception and identification are correct.
W C R E went from 500 to 1000 watts September 1st, which probably gives
a better signal, especially early in the morning.

Sincerely yours,

Fred A. Staples
General Manager

"Your Home Town Station"
