

Dear Sir:

Your reception report of Radio Station KBRK Brookings, South Dakota, on July 21-22, '55 was very much appreciated. KBRK operates on 1430 kc with a daytime power of 500 Watts. Gates equipment is used throughout and our tower is 164 feet above ground, overall.

The program material you logged was accurate, so consider this letter as verification of your reception.

Yours truly,

*Bob Reimers*
