Mr. Maurice W. Nittler,  
Box 94,  
GENEVA - Nebraska.

Dear Mr. Nittler:

Thank you very much for your letter. You will find enclosed a verification Card on the broadcast you received February 18th, 1955.

You are correct in every detail. You are also correct in assuming that the interference was from CJOR, Vancouver. We are very interested in hearing from listeners located as far away as you are.

We don't know much about Nebraska, but we were aware that it was "The Cornhuskers State".

This year the Province of Saskatchewan celebrates its 50th Anniversary, and if you contemplate any touring this summer we might suggest you come to Saskatchewan. If you are ever up to Saskatoon we would be happy to have you drop in for a visit.

Yours sincerely,

RADIO STATION CFQC.
