SASKATCHEWAN, CANADA

Saskatchewan is one of Canada's beautiful prairie provinces, located at the heart of the country. Its name is derived from the Plains Native's word "Kisiskatchewan" meaning "the river flows swiftly".

January 24th, 2002

Thank you for your reception report for 980 CJME on January 2002, at 9:05 p.m. CST. We have received some very interesting reports since our switch from 1300 Khz.

Best wishes from all at 980 CJME, Regina, Sask., Canada.
