Mr. Maurice W. Nittler  
Box 94  
Geneva, Nebraska

Thank you for the report of reception.

It is good to hear that we were coming in there in Nebraska, and this is to verify that you did hear WDXL, as we were on the air at the time you report and also that we did give station identification and tone, as identified by you.

Again, thank you for the letter and we appreciate your interest in contacting us.

Sincerely,

Neal B. Bunn
