Dear Maurice:

This letter confirms your reception of W.M.C. February 13, 1956. According to our program schedule the program that you heard was broadcast at the times quoted by you.

I am very sorry that I can not give you a little technical information about our operation. However, I can tell you that we operate with 5000 watts directional at the time of your reception. Our main pattern at that time is in a southerly direction with a small lobe toward the northwest.

Thanks again for the report.

Sincerely,

Harlan Judkins
Program Director
