Mr. Maurice Nittler  
Geneva, Nebraska.

Dear Sir:

This is to verify Your report of reception of WMMT on night of October 3, 1955. I was not working here at that time myself, but they were operating twenty-four hours a day at that time and according to the announcers your report is correct. Thank you for letting us hear from you. I am sorry that your first letter was not answered.

Yours truly,

*Hubert Beasley*
