Dear Sir:

In reply to your letter of April 27th, wishing information to verify the fact you did receive Station WOPI.

Station WOPI was conducting a frequency check the morning of April 27th, between 4:45 to 5:00 a.m., EST. WOPI has the power of 250 watts.

Thank you very much for your interest and are very happy you can add WOPI to you collection list of stations received in Bristol, Tennessee.

Sincerely,

RADIO STATION WOPI, Inc.

George Guertin
George Guertin
Chief Engineer.
