P.O. Box 824  
Mancos, Colorado 81328

Dear Mr. Nittler:

This letter is to confirm your reception of radio station KAMA, 750kHz in El Paso, Texas on September 25, 1985 from 7:15 to 7:25 PM MDST.

Our new facility on this frequency signed on the air for the first time on July 11, 1985, so you are one of the first in receiving a verification from us.

As a medium wave DXer, your Hammarlund HQ-180 and long wire antenna is working well. Being a DXer myself, I know how important it is to receive a response so I am getting this reply out to you immediately.

Enclosed please find a station bumper sticker for your collection if you save these kind of items.

Regards,
