Dear Sir:

We are glad to confirm your report of reception of KANN Sunday morning February 22, 1959. We have had several reports mentioning interference, particularly from station XEMC, Mexico City. We are happy to get such fast response, and hope to broadcast DX in the future.

We hope you will excuse our delay in confirming but we have been hit with a rash of "little" Tech. difficulties (little but lots). Thanking you again for your letter and possible future listening.

Sincerely,

*Carly Fitch*
