Dear Maurice,

Thank you for your reception report. Your log corresponds with ours exactly.

We recently changed our call letters, we used to be KVPH. We began broadcasting on May 8 of last year and are a daytime station only.

We have an R C A transmitter which is remote controlled from our studios approximately $1\frac{1}{2}$ miles from the transmitter site. Our studio equipment is primarily Gates.

If you are ever in the area please drop in to see us.

Sincerely yours,

Stan Michno,
Music Director
