Dear Bill,

It is with pleasure that I confirm your reception of radio station KCLR, January 30, 1967 during our special broadcast. Your log of our programming was very detailed, and accurate. Thank you for your report. It answers a number of questions for me. I now know that I have the ability to "Get Out".

Other reports came as far away as New Jersey, and California. KCLR is a clear channel, 5,000 Watt station located 28 miles East of Lubbock on the South Plains of West Texas.

Thanks again for your completeness of log, and I hope to hear from you again in the future. I'm always glad to answer reception reports.

Sincerely Yours,

Dave Taylor
