Dear Mr. Nittler:

Please excuse my delay in answering your nice letter of February 6 as I have been out of town. We are just as pleased as you in KCOH reaching Englewood, Colorado.

It was also a big "kick" to the Texas Motor Exchange account to have the signal picked up at this great distance.

Thank you very much for your letter and I certainly will keep it in our files to show sponsors and friends.

Cordially,
