Mr. Maurice W. Nittler
3663 South Clarkson Street
Englewood, Colorado

Dear Mr. Nittler:

Thank you for a very interesting letter and your interest in our station.

It is with pleasure that we confirm your reception of KCTA on September 26, 1960 from 0513 to 0516 C.S.T. while operating on a frequency of 1030 KC/s with a power of 50,000 watts.

With very best wishes from all of the staff,

Cordially,

RADIO STATION KCTA
