

Aug. 7 1954.

Sir:-

In reply to your letter, am glad you received this station, as I did not get through to K.C., was a bad night electrical storm here.

I run a freq. check the first Monday of each month, go on the air at 00:45 AM off at 1:15 AM was on Monday night Aug. 2-1954.

In regard to your dry weather brothe we have had it here and is still dry.

Sincerely.

L. J. Austin

Lab. Eng. Station KCTX.
