Dear Bill:

This will confirm your reception of KDWT in Stamford, Texas on the night of November 15, 1968.

The Sign-off is as you have stated in your letter of 11-18-68. You stated you have been looking for us since but have failed to pick us up, this being because we are not on the air. Last Friday night was the final night of our Football Scoreboard and we revert back to our regular sign off time of ten P.M.

Thanks for your interest and hope this suffices for your records.

Yours truly,

  
Robert A. Prichard  
Owner,
