SIDNEY KING, MGR.

Dear Maurice,

It is my pleasure to confirm your reception of KEPS on the morning of Sept. 19. I am glad that we reach all the way up to Colorado. Earlier this week I received a report that we were picked up over in Albuquerque, New Mexico. Also over the signal of KFJZ in Fort Worth.

You may find that you will be to pick us up with regularity on the third monday of the month. I will be looking forward to hearing from you once again next month. Good luck on all of your DX'ing.

Yours,

Daniel A. Ruch
Chief Engineer
