Dear Maurice:

I am writing to verify your reception of Radio Station KEVA on the afternoon of October 27, 1955. The broadcast Schedule was as follows:

5:30 - Sports Report
5:40 - Farm Market Analysis
5:45 - World and Texas News
6:00 - Sign off

The announcer on duty at that time was yours truly, Leon Pepper, and I want to say that we are always glad to answer letters to verify reception...Glad to hear from you.

Congratulations to you on your participation in that special DX broadcast for the National Radio Club.

Again I want to say....Glad to hear from you.

Very truly yours,

Leon Pepper
