

November 30, 2004

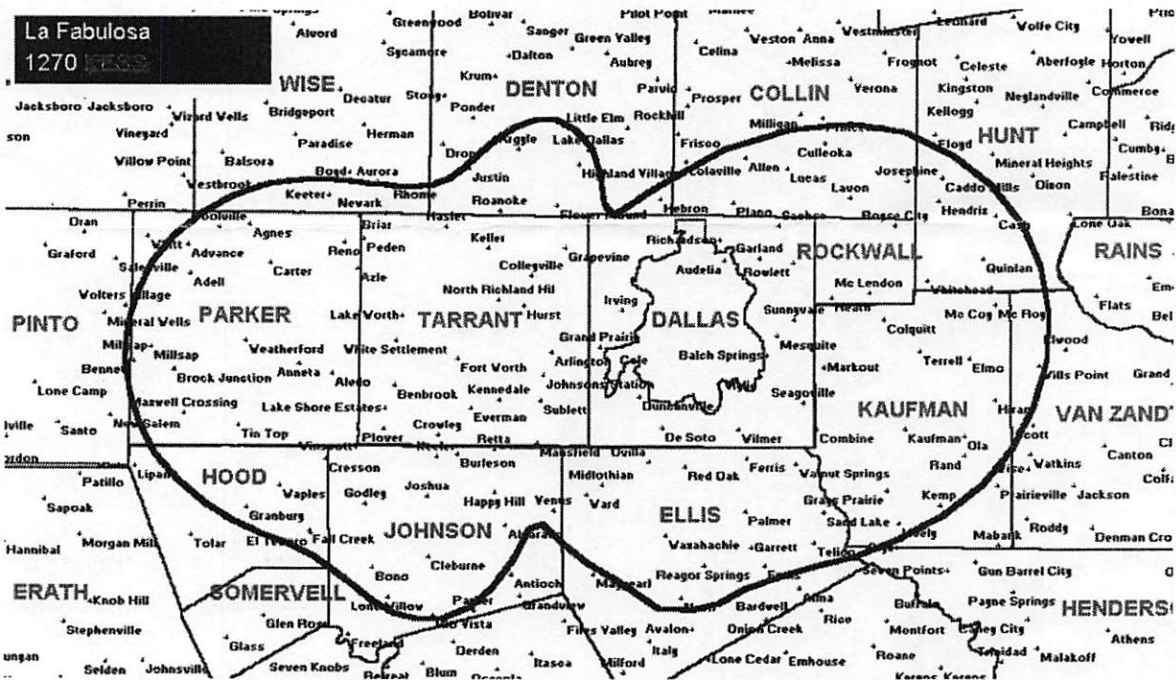

Dear DX'er,

Thank you for your recent reception report. This letter confirms your reception of KFLC on 11-15-18- from 1700 to 1807.
19-04

KFLC operates 24 hours on 1270 kHz with a directional antenna day and night. The day power is 5KW and the night power is 4.6KW. Six towers make up the directional array and are located in Arlington, Texas. Our studios are located at 7700 Carpenter Freeway in Dallas. Thanks again for listening!

Sincerely,

Patrick Parks
Engineering Manager
