Dear Mr. Nittler:

We enjoyed reading your letter of December 1, 1959.
All the information you have is correct.

By-The-way, if you run into any announcers up there
looking for a good job.....we're looking. We do
require a good one...but the pay would be good for
such an announcer. We would appreciate any help
you might give us on this matter. We needed a good
announcer yesterday!

Sincerely,

James Parr
