Dear Mr. Nittler:

Thank you for your nice informative letter of February 17, 1956. We checked the log and take pleasure in confirming your report of KGNC.

We appreciate all the trouble you have gone to in letting us know you heard us. Although we don't claim primary coverage for such a great distance, it's nice to know we have made a new friend.

Any time in the future we may be of some service to you, please let us know.

Sincerely,

*William H. Torrey*
