Maurice W. Nittler  
Shickley, Nebraska

Dear Mr. Nittler,

This is just a note to let you know that you were correct when you stated in your letter of March 18, that you recieved our station from 1:00 to 1:15 A.M.

We were on our regulat monthly frequency check broadcasting a 1000 cps tone.

We are transmitting from a Raytheon 2504A, 250 watt transmittan, and certainly appreciate knowing that we reach you in Shickley, even if it was at such an earthly hour.

Yours Truly,

*Benny Willingham*
