Dear Mr. Nittler:

This is to verify your reception of Radio Station KIUN , on the morning of March 2, 1959 from 5:23 am to 5:29 CST. I used only a tone and gave station breaks as you heard.

The reason we faded at 5:29 was that we went off the air at that time and you evidently heard the tone from another station at that time. I do not remember the weather at the time of the broadcast.

Yours truly,

Harry W. Boehnemann
