Engle Wood, Colo.

Dear Maurice:

Thank you for your request we received to verify your receiving us on Aug. 8, 1955.. May I say I am indeed sorry you wasnt answered.as per first request. I have only been here about 8 months now and I have received several request to verify dxing, and it gives me a great deal of pleasure indooing so for anyone who may request it. Without looking at our logs I can say you must have heard us. May I say this , that this winter if you will tune to our frenquency between 5 and 7 in the morning you will probably be able to pick us up as we have just in the short time I have been here verified several in the city of Denver and they tell us reception very good at the early morning hours mentioned.

Enclosed you will firm your card signed as you requested .

your truly
