

MORTENSON BROADCASTING COMPANY

August 8, 2003

Mr. Bill Nittler
Box 824
Mancos, Colorado 81328

Dear Bill:

This letter will confirm your reception of KNAX on October 26, 2002. It's always nice to receive DX reports of our stations. KNAX has been on the air a little over a year now. It's sister station is KHVN 970 AM.

Mortenson Broadcasting has sixteen stations across the US. Although we run a variety of formats, all of them are Christian centered. I personally take care of three station here in the Lexington market and three in Louisville, KY about 60 miles west of here.

I'm sorry I don't have any KNAX items to send but I have enclosed a window sticker from our flagship station WJMM-FM.

Best regards,
