Dear Bill:

This verifies your reception of KPDN on 1340 kilocycles December 17, 1962, during our special broadcast for the National Radio Club, at 2:47 to 2:50½. Very pleased at the response, with four correct reports in from Ohio, two from California, two from Colorado, two from Kansas, four from Illinois, one from Indiana, one from Alberta, one from Texas, Iowa, Nebraska, and New Mexico.

Sorry I didn't have much further opportunity to continue with the DX furrin that particular morning, since the JO's were apparently still barrellin' through. We'll be hopin'.

Went home for Christmas Sunday, missed this Monday a.m., and will be in El Paso next Monday a.m. for the Sun Bowl game, so no DX on these strategic mornings.

Ah, well.

Thanks for the report, Bill, and best DX for the season.
