POST OFFICE, BOX 1816
AMARILLO, TEXAS

Mr. Maurice W. Nitter
Box 94
Geneva, Nebraska

Dear Mr. Nitter:

Thank you for your letter reporting reception of our new station, KRAY, on our equipment tests. Your report checks with our log for the morning of August 11, 1955.

The station in Fort Worth is rather strong on our frequency, otherwise we would be able to get out farther and better.

Thanks again for writing.

Sincerely yours,

Ralph Henry
