SNYDER BROADCASTING CO.

J. T. HUGHES,

PRESIDENT AND GENERAL MANAGER

Maurice W. Nittler
Box 94
Geneva, Nebraska

Dear Maurice:

Thank you very much for the reception report and this is our way of verifying this reception report. We like to receive reports of this sort, and find out how we stack up around the country. Our station operates with a power of two hundred and fifty watts on 1450 Kc. and we are on the air from six in the morning until eleven at night serving this area as a Mutual outlet. Hope to hear from you again.

Sincerely,

Jim Pilant, Chief engineer
