Dear Mr. Nittler:

It is a pleasure to verify your reception of KTBB on September 12th, 1954 in the hour of 12:25 A.M. to 12:40 A.M.

It just so happened that due to a long schedule that day we ran past our normal sign off time and our chief competition for 600 kilocycles, WRAC had signed off.

Any time you might be in the "Rose Capital of America", we will appreciate your stopping by and paying us a visit.

Sincerely,

BLACKSTONE BROADCASTING CO.
