Dear Bill,

This letter will serve as your verification of reception of KTON-AM Radio on November 18, 2004 at 5:10PM Central Standard Time.

KTON-AM, 940 Khz, is a Classic Country Station in Belton, Texas, that has a daytime ERP of 1000 watts.

If you ever pass this way (Belton is halfway between Austin and Waco on I-35), be sure to stop in!

...and thanks for listening to KTON! So far, you are our "longest distance" listener!

A handwritten signature in black ink, appearing to read 'J Harrison', with a long, sweeping underline.

James Harrison
Station Manager
