Dear Mr. Nittler:

On behalf of Tom Connelly, program director for KTSM-AM News/Talk 690, I would like to verify your reception of our radio station.

Your original report does, indeed, correspond to our scheduled programming on KTSM-AM 690. Your assumption that KHEY-AM has moved to 1380 is correct. We made the frequency change in October 2000 when we moved to our new facility on Mesa Street. Our Clear Channel family also includes the following stations:

KTSM-FM 99.9 (Sunny, Adult Contemporary)
KHEY-FM 96.3 (Y-96, Country/Western)
KPRR-FM 102.1 (Power 102, Urban/Top 40)
*XHEPR-FM 93.1 (The Bandit, Classic Rock)

*The latter station has its studio in our El Paso, Texas facility but the transmitting tower is located approximately 35 miles south, in the outskirts of Ciudad Juarez, Chihuahua, Mexico.

If I can be of further assistance, please do not hesitate to contact me. I will be glad to provide any information you require. I wish you continued success and satisfaction with your DXing hobby.

In the sunny Southwest, I remain

Sincerely yours,

Carol Perez-Vitier
