April 11, 1955

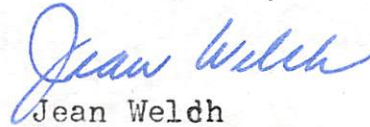

Mr. Maurice W. Nittler
Box 94
Geneva, Nebraska

Dear Mr. Nittler:

Thank you for your letter advising us that you were receiving our signal on April 9, 1955. This will be confirmation that we were on the air at that time with tone signal and identification announcements. Our Chief Engineer Alfred G. Martel was making the frequency check.

Good luck to you on continued success in receiving such distance stations.

Best regards,

Jean Weldh
Program Director
