Dear Bill,

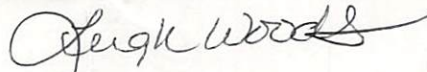

What a delight to receive your letter! It always fascinates me when we receive letters from far away places, because we are only a 250 watt station and usually don't reach beyond a 35 mile radius with our broadcast. We are strictly a daytime station, and we are totally gospel as you already know. We play a wide variety of music from the old Southern gospel quartets, to the very latest in rock contemporary. We carry a large selection of broadcasts from such well known evangelists as Jimmy Swaggart, Kenneth Copeland and Kenneth Hagin.

Farwell has a population of about 1300 and is located 100 miles west of Lubbock, Texas on the stateline of Texas and New Mexico, which puts us about 8 miles from Clovis, New Mexico.

We really enjoyed receiving your letter, please be sure and let us know if you happen to catch us again. Our sign off time for November and December will be 5:45 CST.

THANK YOU SO MUCH FOR WRITING!

Sincerely,

Leigh Ann Woods,  
Traffic Manager
