

Dear Sir,

Thank you for your letter and interest in our station, the station was founded by the Dart family in the mid 70's, and added the AM in 1982, our FM is 100.9 FM in Carbon County, 107.7 in Emery, and 104.1 in Moab, we are currently trying to acquire the Blanding station to simulcast @ 92.7.

Our A.M. has only been pushing 5000 watts even though we are slated for 10000 watts, we blew a tube and are waiting for an engineer. if you would like more info please check us on the web @ www.kusaonline.com, our coverage map is on the contact section. Thanks for your interest
