MR. NITTLERE.

THANK YOU FOR THE LETTER. IT IS NOT SURPRISING THAT WE REACH OUT THAT FAR. THAT IS THE TIME JUST PRIOR TO OUR DAYTIME DROP TIME TO LOWER POWER. NORMALLY WE RUN AT 5000 WATTS, AND 250 AT NIGHT.

THE ANNOUNCER ON-THE-AIR WAS COUNTRYR PAUL. HE WORKS FROM EIGHT P.M. TO MIDNITE.

OUR FORMAT IS COUNTRY , AND WE SERVE AN AREA FROM SALT LAKE CITY TO POCATELLO IDAHO VERY STRONGLY.

ON BEHALF OF MY STAFF, THANK YOU FOR THE LETTER.
IF YOU HAVE ANY FURHTER QUESTIONS REGARDING OUR STATION LET ME KNOW,
Id BE PLEASED TO LET YOU KNOW.

SINCERELY,

GEORGE L. FEOLA
